

Here are just a few things people have to say about CHIP and its staff

The Staff “always have a positive attitude. They gave me information, encouragement, motivation, self confidence by telling me things like: <<you can do it, you did a great job! keep going>>”.

“They encouraged and guided me as to how avoid injuring myself”

“Staff were great – upbeat, enthusiastic, dedicated and professional”

“Very motivated and dedicated staff. CHIP Staff has the ability to make boring things interesting and invigorating!”

“The staff kept me on track towards my goals!”

“You guys are great! Continue with your positive outlook and encouragements”

“They helped me achieve my goal gradually; made good recommendations.”
